FALL 2012 CHARITY LISTING BROCHURE

Letter from the Campaign Chairs

Greetings! It's our honor to serve as the Co-chairs for this 51st year of the Combined Federal Campaign (CFC). For 50 years we have improved lives, enhanced communities and raised hope through the CFC. We have demonstrated compassion, selflessness, and a sense of responsibility for the less fortunate. These are achievements we can all be proud of! And it is a legacy we are excited to continue leading this year's campaign.
If you have ever wondered about what your dollar can do through the CFC, we encourage you to browse through the charities listed in this year's campaign.

CFC is one of the best choices for donors because charities must meet rigorous eligibility requirements and must be verified by the IRS to insure they are in good standing. No other fundraising campaign requires as much scrutiny for funding as the CFC--so you can feel confident that the charities participating through the CFC have been well vetted.

CFC is one of the best resources for charities because they receive regular distributions of our charity dollars when we give through payroll deduction. That means charities have immediate access to funds as an event is unfolding and continuous replenishing of these funds throughout the year.

Contributing has never been easier. The CFC can process donations by cash, check, or credit card charge for a one-time donation and regular payroll deductions electronically or by the traditional pledge form method. You can even use your smart phone to read the QR code for direct access for online giving!

It is important to remember unfortunate circumstances can strike us at any time. Whether circumstances like the theater massacre or the wildfires, or hunger, or poverty, or health needs affect us, the CFC can help. If you want to support the arts, the environment, youth, seniors or animal welfare, CFC charities can do that too!

Let's continue what we began 50 years ago—a legacy of giving, a legacy of caring, a legacy of hope.

Sincerely,

Frank Bair
Supervisor of Distribution Operations
US Postal Service, P&DC

Thank You!

Giving Guides *(By Pay Grade)*

Every person, regardless of income or position, has the opportunity to be a leader in giving through the CFC. With a giving program based upon a percentage of income and a payroll deduction plan that spreads your gift over 12 months, giving is easy.

The charts below are designed to help determine 1 hours (Patriot Award) & 2 hours (HeroAward) pay per month. Your salary may vary from the pay grade listed depending on years in service and many other variables associated with your job. If you would like to calculate 1 hours pay for yourself, multiply your gross annual salary by .006 (this is your annual gift), then divide this amount by 12 to determine your monthly deduction or by 26 to determine your bi-weekly deduction.

_____ X .006 = _____
(Gross Annual Salary) (Annual Gift)

I.e., $50,000 X .006 = $300.00
(Annual Gift)

Payroll Deduction Lets You Help All Year Long
Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

You Control Where Your Gift Will Go
All Federal employees have the right to contribute or not to contribute to the CFC. The choice is yours. Through your designation, you ensure that your donation goes to meet those needs that you feel are most important. You may designate to the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated. Every local campaign has a Local Federal Coordinating Committee, comprised of Federal employees, which must approve and monitor campaign expenses.

2012 Unit Award Criteria

Criteria:

Unit award criteria is based on the regions previous performance as measured by Per Capita Gift (total amount raised divided by total assigned personnel), adding 5% to serve as a benchmark. This ensures that the benchmark shows an improvement over the previous year's performance.

Per Capita Gift is used because it incorporates BOTH average gift and participation; and, thus serves as a strong indicator that the whole unit has made a good effort in supporting the CFC.

Unit Awards will be presented for 3 levels of performance: (Award plaques will be given out at the Award Ceremony at the conclusion of the campaign)

Bronze Unit Awards will be given to groups that reach 75% of the benchmark, having made a significant contribution to the campaign.

Silver Unit Awards will go to those that reach 100% of the benchmark.

Gold Unit Awards will go to those that obtained 125% of the benchmark.

Unit Award Criteria

Bronze	Silver	Gold
$87.75	$117.00	$146.25

How to use this information:

By using the values in the chart above, a keyworker can set a unit goal to strive for based on the number of people in his/her unit. For example, a keyworker with 50 people in his/her unit that wanted to strive for the Gold Unit Award would need to raise $7,312.50 (50 people X $146.25).

National Hero Selection Criteria

The Office of Personnel Management initiated the national CFC Hero program in 2002 to recognize outstanding leadership and volunteer contribution to the Combined Federal Campaign. Nominations are solicited from over 300 regions of the CFC in four categories: military uniformed, military civilian, postal service and federal civilian.

A national committee comprised of Local Federal Coordinating Committee members, Principal Combined Fund Organizations and former recipients of the award determine the national heroes to be honored with the prestigious national awards in a ceremony at the White House based on innovation, campaign achievement, personal background or life experiences that influenced the nominee, and personal volunteerism outside the workplace.

The national nominations are rated individually by the committee members to determine the top contenders for the awards. The final selection of heroes is a collaborative committee decision based on comparison of the nomination packages and spirited discussion amongst the committee members. The committee recommends their award recipient selections to the Office of Personnel Management who approve the selections and announces the award winners.

7) Through the CFC you can fund many needs.
8) You determine where your money goes by designating your gift.
9) It offers easy, convenient one-stop shopping.
10) You can say, "I gave at the office" with pride.

Volunteers Screen Local Charity Applications

The LFCC would like to thank the many volunteers from the Denver Area Federal agencies who diligently screened the local charity applications for eligibility. Federal volunteers are sought annually to review the applicant charities for public accountability standards and other eligibility criteria. All federal employees can be assured that the peer review provides confidence that the charities accepted into the CFC are legitimate, and provide the programs and services described in this brochure. This year, over 30 volunteers participated. Many were surprised at the scrutiny that each charity application is given. Thanks again for the diligence of the terrific volunteer peer review team!

Become a CFC Loaned Representative in 2013

The Loaned Representative Program is a partnership between the sponsoring Federal agency and the Combined Federal Campaign administrative agency that integrates a professional development scope to match organizational needs that benefits both partners.

The Loaned Representative (LR) Program applies the principles of Stephen Covey's high-impact leadership model, The 8th Habit: From Effectiveness to Greatness and incorporates the Office of Personnel Management-developed Executive Core Qualifications necessary for entry into the Senior Executive Service and used by many departments and agencies in selection, performance management, and leadership development for management and executive positions. LRs are rising stars in their agencies who are loaned to the Combined Federal Campaign during the campaign to provide project management and team leadership to the campaign and return to their agencies with newly gained skills and competencies. The LR program gives federal employees an opportunity for professional development while learning about other federal agencies and contributing to their community.

Sponsoring federal agencies have the opportunity to develop employee leadership potential. The Loaned Representatives benefit by having the opportunity to work directly with senior federal executives from their own and other agencies, to receive professional level experience in marketing and communication skills, and to participate in a satisfying program in government and community service. The CFC and local community benefit from the Loaned Executive's day to day campaign management support functions which are essential to the campaign's success.

Online Giving

Get Your Give ON-Line

This year, more than any other, we are promoting online giving. Why? Online giving is the most convenient and efficient means of giving. The convenience of pledging online allows you to complete your pledge to the CFC from the privacy and comfort of your computer. Finding charities of interest is easy through the interactive search tool. Search, sort, and filter charities to find the ones that deserve your dollars. You can even research through charity websites while you are creating your pledge. The math is made simple and the automatic accuracy means no additional follow up. Simply enter the amount per pay period and decide how much of your total annual donation goes to each charity. Accessibility is another reason online giving is so convenient. All you have to do is log in to your online giving account at any time to view, print, or email pledges you have made in the past. This is convenient for the tax season. The returning donor will appreciate the replication feature of online giving. Simply replicate your previous year's pledge. You won't ever have to look for that previous year's pledge form again. And, online giving is green. Pledging online means fewer pledge cards and charity catalogs need to be printed. Finally, because your online pledge card is fully legible, with perfect math, and designated to the charities you decide, the CFC and payroll center's time for each pledge is greatly reduced thus significantly increasing the efficiency of giving.

We are so confident online giving is the way of the future, the CFCs around the country are raising awareness about the convenience of giving electronically by promoting nationally, **Get Your Give ON-Line**, a week-long campaign blitz that will run from **October 15-19, 2012**. The blitz is designed to showcase the convenience of giving electronically to CFC charities. The goal is to inspire and unite Federal employees in supporting hundreds of CFC charities across the country and around the world. It's a wonderful opportunity to connect with others that give to charities through the CFC. Support the first annual **Get Your Give ON-Line** by joining other Federal employees to raise millions of dollars for CFC charities. Go to: metrodenvercfc.org and click the online giving link of your choice: CFC NEXUS, Employee Express or the PDF version of the traditional pledge form. Of course you may make contributions prior to this blitz and afterwards and traditional pledge forms are accepted.

The Metro Denver CFC is proud to offer two methods of making your CFC payroll deduction donation on-line. CFC Nexus is available to all donors in the region, and Employee Express is available to employees at the federal agencies listed at the bottom of this page. Making your donation on-line, offers a variety of benefits including a charity search tool, verification of the charity codes you enter, mathematical accuracy, and increased privacy and confidentiality.

Making an Online Gift through CFC Nexus

The Metro Denver region is continuing to move the campaign into the 21st century by providing online assisted giving, The campaign will make available the NEXUS Online Assisted Giving option once again the year at the campaign website: http:www.cfcnexus.org/_cfcmetrodenver/ or by following the links from the CFC website http://www.metrodenvercfc.org. If you used it last year, you can login using your previous passcode. If you try it for the first time this year, you will start with a simple registration.

CFC NEXUS is a 6th generation OPM acknowledged online E-Pledging system designed specifically for the CFC community. This online e-pledge system surpasses paper pledging by a wide margin with robust real-time reporting for donor confidence. With secure online searchable charity catalog and pledging, year to year comparison of campaigns, instant upload into CFC Assistant and graphical analysis tools, CFC Nexus is a complete e-pledging package that is extremely efficient. Though your Keyworker may require a "wet" signature in addition to the digital signature for payroll deduction processing, it is due to a DFAS requirement but DFAS is also committed to moving toward the 21st century in the near future. We encourage you to visit http://www.cfcnexus.org to learn more about this exciting new pledging program and demo the online pledging process.

NEW TO ALL DONORS - CREDIT CARD GIVING

One time Credit Card donations can be made on CFC Nexus through Visa, MasterCard, Discover, or American Express. The site is 100% secure and compliant with the Payment Card Industry standards, which means that no credit card information is stored on cfcnexus.org

Making an Online Gift through Employee Express

CFC-EEX *E-Pledge* offers employees in specified agencies the choice of making a CFC payroll deduction pledge on-line through Employee Express (EEX). Employee Express is a convenient, user-friendly automated system that gives employees direct control over key payroll and personnel information without having to use forms or visit a personnel or payroll office.

CFC-EEX is not mandatory for CFC pledges. CFC-EEX is another option for the Federal donor in agencies using EEX (see attached list).

Employees utilizing CFC-EEX *E-Pledge* should not submit an additional paper pledge form for their payroll deduction pledge. However, paper pledge forms are required for one-time and cash contributions.

Benefits of CFC-EEX *E-Pledge* include:

- **Confidential and Secure**: EEX has secure links directly to your payroll providers. No SSN information is passed to a campaign or mailed to another office for input.
- **Accurate**: All pledges are received electronically by the payroll office and no math calculations to correct or printing to decipher.
- **Searchable**: Query the charity database to search for and select charities from your local campaign area and the National-International list.
- **Flexibility**: Donors can pledge to up to 30 charities, and change their pledge through the end of the official campaign season -- December 15.
- **Printable**: Employees may print a copy of the pledge form for their records.
- **Fast:** Information is processed immediately, in real-time, to the CFC reports site and to the payroll providers daily. Local campaigns retrieve reports and distribute them as needed to agencies in their campaigns.
- **Available:** CFC-EEX *E-Pledge* is open 24 hours a day, 7 days a week beginning on campaign kick-off to December 15th via the Internet: **https://www.employeeexpress.gov**
- **Assistance:** Is available through the EEX help desk from 7:00 a.m. 7:00 p.m. ET Monday through Friday or phone: 478-757-3030. Passwords for Employee Express can be requested On-Line or through the Employee Express Help Desk.

Combined Federal Campaign (CFC)

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

What is the CFC?

The CFC began in the early 1960's to coordinate the fundraising efforts of various charitable organizations so that the Federal donor would only be solicited once in the workplace and have the opportunity to make charitable contributions through payroll deduction.

Federal employees continue to make the CFC the largest and most successful workplace philanthropic fundraiser in the world. Continuing a long-standing tradition of selfless giving, in 2011, Federal employees raised over $272.7 million dollars for charitable causes around the world.

Structure of the CFC

The CFC is made up of 187 local campaigns that organize the annual fund raising effort in Federal workplaces in the United States and abroad.

Each local campaign is managed by a Local Federal Coordinating Committee (LFCC), which serves as a "Board of Directors" for the local campaign. The LFCC is comprised of Federal employees and representatives of labor unions and is responsible for the oversight of the local CFC. In conformance with CFC regulations and policies, the LFCC makes admission determinations for local charities and selects a Principal Combined Fund Organization (PCFO) to administer the day-to-day operations of the campaign and to serve as its fiscal agent.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns (LFCCs and PCFOs).

Public Accountability

OPM is accountable for assuring Federal employees that their designations are honored and distributed to the charitable organizations of their choice. OPM achieves this in several ways:

OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at http://www.opm.gov/cfc/opmmemos/index.asp.

On an annual basis OPM makes admission decisions for all national and international charity applicants and resolves local charity admission appeals.

OPM sets strict requirements and provides on-going guidance for the activities and conduct of the LFCC and the PCFO. The fiscal integrity of the campaign is verified by OPM compliance audits and the annual review of local campaign audits that PCFOs are required to have completed by an independent CPA.

The CFC Charity List

The Charity List is a paper or web-based display of national, international, and local organizations that have met CFC eligibility requirements. A sample charity listing is shown below with key elements shown in italics. Key elements include: the organization's five-digit CFC code, the IRS Business File name shown in parentheses if it is "doing business as" another name, a 25-word statement of purpose (except in abbreviated listings), its administrative and fundraising expense rate (AFR), and its Service Categories (Taxonomy Codes).

Sample Charity Listing

11405 ABC Charity *(Alpha-Charity)* (800) 555-5555 www.abccharity.org *EIN#123456789* ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. *15.8% P,S,K*

Making Informed Giving Decisions

The EIN, AFR, and the Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Employer Identification Number (EIN) is issued by the Internal Revenue Service (IRS). It can be used for obtaining additional information about an organization from the IRS (877-829-5500). *Please Note:* Some organizations may be covered under an umbrella organization's tax exemption status and EIN.

The Administrative and Fundraising Rate (AFR) represents the percentage of dollars spent on administering the charity. It is calculated as a percentage of the organization's total support and revenue. OPM, as well as the philanthropic community at large, remains concerned about excessive AFR levels. The philanthropic community generally considers an AFR in excess of 35 percent to be problematic. Donors should check with the organization and/or review its IRS Form 990; which is available to the public for a complete explanation. Each situation is unique. Donors may contact the charity directly and/or industry oversight organizations in order to better understand the financial status, service delivery record, and governance policies of the charity before donating.

The Service Categories (Taxonomy Codes) categorize the types of services that most charitable organizations offer. Charities self-select up to three alpha-codes (shown below) for inclusion in the CFC charity list. Charities that did not select at least one category are assigned "Z" for the "Other" category.

The 26 service categories are derived from the National Taxonomy of Exempt Entities (NTEE) classification system. This system, developed by the National Center for Charitable Statistics, is widely used in the non-profit community.

For additional guidance on selecting charities, visit the CFC website at http://www.opm.gov/cfc/html/qfd.asp.

Do I Have To Give Through The CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right to not be improperly influenced regarding your decision to give or not to give through the CFC. Prohibited practices include, but are not limited to: supervisors soliciting the employees they supervise; setting 100% participation goals, providing and using donor lists for purposes other than the routine collection of contributions, establishing personal dollar goals and quotas, and developing and using lists to identify non-contributing employees.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed standard envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military personnel should contact the LFCC or their commanding officers. If the issue is not resolved satisfactorily, military personnel may also contact the Department of Defense Washington Headquarters Services at (703) 699-1841.

Can I Specify Which Organization Will Receive My Contribution?

Yes, the CFC is a donor-designated campaign. By designating the five-digit code of the charity of your choice, you ensure that your donation goes to meet the needs that you feel are most important. Simply designate the organization(s) of your choice where indicated on your pledge form by entering the five-digit code and the amount you wish to pledge. ***Additional designations may be completed on a second pledge form.*** Except for documented expenses for the operation of the local CFC and unfulfilled pledges, all contributions are distributed as designated.

There is no limit to the amount of contributions an organization may receive through the CFC. There is also no limit to the number of participating charities to which you may designate a contribution. To give to more organizations than can be added to the pledge form, complete additional pledge forms and staple them together. The top pledge form must contain the sum of all pledges.

You cannot designate to an organization that is not listed in this Charity List. Adding organizations not listed, or "write-ins", is prohibited by CFC regulations and donations to such organizations will be treated as undesignated funds. In addition, pledges made using anything other than the assigned five-digit codes cannot be honored and will be treated as undesignated funds. Undesignated funds are distributed to only those charities that receive donations and in the same proportion as they received designations.

What Are Independent Organizations And Federations?

A federation is a charitable organization that provides common fundraising, administrative, and management services to its member organizations. Affiliated organizations receive services from a Federation and may pay dues or fees to that federation as a service charge. Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

How Do I Designate A Federation, Or Alternatively, One Of Its Members, To Receive My Contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

How Do I Designate An Independent Organization To Receive My Contribution?

You may wish to designate to an independent organization that is not affiliated with a federation. Simply enter that organization's five-digit code number on your pledge form.

What If I Choose Not To Specify An Organization Or Federation To Receive My CFC Contribution?

All funds contributed to the CFC that are not designated to a specific organization or federation will be treated as undesignated funds and distributed to all organizations listed in the CFC Charity List in the same proportion as they received designations. Organizations that do not receive designated dollars *cannot* receive any portion of the undesignated distribution.

What Is The International General Designation Option?

If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by entering the five-digit code: 11111 on your pledge form.

What Is The Payroll Deduction Option?

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, more than 90% of all CFC funds raised were made through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January and conclude with the last pay period in December. There is no simpler way for you to make good things happen for so many people than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I Receive A Receipt For My Contribution?

You should keep a copy of your pledge form, as well as your pay statements (if you made a payroll deduction contribution), as a receipt of your pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution must maintain a bank record and a copy of the pledge form to show the name of the organizations contributed to, the date of the contribution, and the amount of the contribution. Local campaigns can be found using the Campaign Locator search feature on the CFC website at www.opm.gov/cfc/Search/Locator.asp You should consult a tax adviser to determine if additional verification of the donation is required by the IRS.

What Are The Costs Of The Campaign?

Historically, local campaign costs across the nation have averaged ten percent. These funds are required to print materials, train volunteers, audit contributions, and other administrative duties. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, donating to a charity through the CFC ensures every dollar you pledge goes a very long way toward helping others.

What Is On-line Pledging or E-Giving?

On-line pledging and E-giving, in general terms, mean that donors have the additional pledging tools of the charity list and pledge form available to them "on-line" or on the internet or intranet. Currently, several local campaigns offer on-line charity lists and secure pledge transactions through the Employee Express (EEX) HR System. Other campaigns have web-based charity lists and downloadable pledge forms. This is a pure paperless process and is one way CFC is striving to "go green" .

Local campaigns can be found using the Campaign Locater search feature on the CFC website at http://www.opm.gov/cfc/Search/Locator.asp

Get Your Give ON-Line

WHAT

Get Your Give ON-Line

This year, more than any other, we are promoting online giving. Why? Online giving is the most convenient and efficient means of giving. The convenience of pledging online allows you to complete your pledge to the CFC from the privacy and comfort of your computer. Finding charities of interest is easy through the interactive search tool. Search, sort, and filter charities to find the ones that deserve your dollars. You can even research through charity websites while you are creating your pledge. The math is made simple and the automatic accuracy means no additional follow up. Simply enter the amount per pay period and decide how much of your total annual donation goes to each charity.

Accessibility is another reason online giving is so convenient. All you have to do is log in to your online giving account at any time to view, print, or email pledges you have made in the past. This is convenient for the tax season. The returning donor will appreciate the replication feature of online giving. Simply replicate your previous year's pledge. You won't ever have to look for that previous year's pledge form again. And, online giving is green. Pledging online means fewer pledge cards and charity catalogs need to be printed. Finally, because your online pledge card is fully legible, with perfect math, and designated to the charities you decide, the CFC and payroll center's time for each pledge is greatly reduced thus significantly increasing the efficiency of giving.

We are so confident online giving is the way of the future, the CFCs around the country are raising awareness about the convenience of giving electronically by promoting nationally, **Get Your Give ON-Line**, a week-long campaign blitz that will run from **October 15-19, 2012**. The blitz is designed to showcase the convenience of giving electronically to CFC charities. The goal is to inspire and unite Federal employees in supporting hundreds of CFC charities across the country and around the world. It's a wonderful opportunity to connect with others that give to charities through the CFC.

Support the first annual **Get Your Give ON-Line** by joining other Federal employees to raise millions of dollars for CFC charities. Go to: metrodenvercfc.org and click the online giving link of your choice: CFC NEXUS, Employee Express or the PDF version of the traditional pledge form. Of course you may make contributions prior to this blitz and afterwards and traditional pledge forms are accepted.
